**Re: Davidson Cable TV of SC, Inc. v. Hargray Telephone Company, Inc.
Docket No. 2006-343-C**

Dear Mr. Terreni:

I am writing on behalf of Hargray Telephone Company, Inc. ("Hargray"), in response to the Commission's notice dated November 13, 2006, in the above-referenced matter, to answer the allegations of the Complaint/Petition filed by Davidson Cable TV of SC, Inc. ("Davidson") on November 2, 2006.

In its Complaint, Davidson asserts that it is a "cable and internet service provider," and that the company is in the process of upgrading its services "to offer phone packages to our customers." The Complaint alleges that Hargray is "protecting" its phone numbers and is not allowing numbers to be ported from Hargray to another carrier (presumably Davidson.) Davidson provides no specific facts to support its allegations.

We respectfully request that Davidson's Complaint be dismissed on the grounds that Davidson has failed to state facts sufficient to constitute a cause of action upon which relief may be granted. Davidson has not alleged that it is a telecommunications carrier entitled to port numbers or that the Commission has jurisdiction over this matter. Instead, Davidson has referenced only a vague plan to offer phone services as a cable service provider in the future. The facts alleged in the Complaint do not support an allegation of any duty of Hargray to port numbers under these circumstances. In fact, Davidson has not even alleged that it has made any specific attempt to port numbers from Hargray.

Davidson's complaint appears to be based on mere speculation and hypothetical future offerings and events. We, therefore, request that the Commission enter an order dismissing the complaint for failure to state facts sufficient to constitute a cause of action.

Very truly yours,
